VISION

To create global leaders of excellence in management and research for societal development.

MISSION

NICM-SJPI aims to be an institute of international repute by providing a conducive learning environment with value-based quality education, training, industrial exposure, consultancy, and research to build professional proficiency among individuals equipped with moral values.

ABOUT US

- National Institute of Cooperative Management, Gandhinagar is promoted by Gujarat State Cooperative Bank Ltd. in 1995 with the objective of providing management education, training, research and consultancy support to the corporate world as well as to the co-operatives and rural development organizations in India.
- In order to make the management of cooperative organizations more professional, it calls for matching the specific but unmet needs of the sector with the formal techniques and skills of management profession. Linking the two are the “leaders and managers” prepared by SJPI through its two-years full time MBA programme.
- The post graduate center at NICM is known as “Shri Jairambhai Patel Institute of Business Management and Computer Applications”.
- It is noteworthy to mention that during the span of one decade only, the institute has achieved several milestones and it has been recognized as one of the eminent institutes of higher education and ranked one among the top five self-financed B-Schools in Gujarat State.

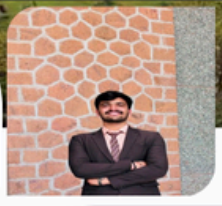
Alumni Testimonials By Students From SJPI - MBA



Prasanna Thorat
Designation: Relationship Manager
Company: Tipsons
Testimonial: My MBA journey at SJPI-NICM has been a truly transformative experience. The institute provided me with a strong academic foundation, practical exposure, and the confidence to step into the corporate world. In my opinion, an MBA is not just about getting a job—it is about learning how to grow professionally. You may reach from 0 to 10 on your own, but SJPI-NICM teaches you how to grow from 10 to 100 through the right guidance, industry-oriented learning, and personality development. I am proud to be an alumnus of SJPI-NICM, and I sincerely thank the faculty and the institute for shaping my career. **Batch 2024-26**

I am proud to be an alumnus of SJPI-NICM and sincerely grateful for the strong foundation, lifelong learning, and unforgettable experiences that continue to guide my personal and professional growth. **Batch 2023-25**

“Management Developement Program”

Dr. Lipsa Raval
Principal,
SJPI - NICM, Gandhinagar

SJPI-NICM transcends textbook learning, fostering an experiential environment that equips students and trainees with practical skills alongside essential values. Our faculty members meticulously cultivate well-rounded individuals with unwavering integrity, ethical conduct, and a strong sense of professional commitment, ensuring graduates are not only knowledgeable but prepared to thrive in the real world.

MDP Programmes

Our Management Development Programs (MDPs) are dedicated to advancing professionalism within the cooperative sector. Accredited with an 'A' Grade by the Centre for Professional Excellence in Cooperatives (C-PEC) established by the National Bank for Agriculture and Rural Development (NABARD), our MDPs offer a comprehensive range of programs in management, banking, law, IT and more. These programs cater to the specific needs of employees, leaders, and professionals from cooperatives, rural development organizations, and government departments. We conduct over 100 programs annually, with participation exceeding 3,000 individuals. Further solidifying our reputation, we conduct exposure visits for Board Members and Executives of various Cooperative Banks, both within and outside of Gujarat. Our expertise extends beyond training, as we also provide consultancy services to cooperative institutions, assisting them in crafting policies, navigating recruitment processes, and overcoming operational and management challenges.
