## DECLARATION on MEDICAL FACILITIES

We, at NICM-SJPI, hereby declare that we have entered into a collaborative bond with **Dr. Vipul Thakkar** of **Shivam Clinic** for addressing the medical emergencies for our faculty members, staffs, and students. As part of this concept, a stationary ambulance with an on-call facility will be available to provide prompt support in case of any medical emergency requirements. The partnership has been given legal status through NOC, assuring an unbroken and timely response to any medical emergencies occurring on-campus. The first aid box is also available with us inside the campus.

We remain committed to providing the highest quality of care and support to all those in need of medical care.
